

16 Nov NA UNEP UNEA5 CB Webinar Chat

12:42:31 From Debra Rowe: Global Guidance Doc on Green Jobs for Youth from UNEP-YEA - please share and see the community of support sign up at the end of the document - <https://www.unep.org/explore-topics/education-environment/what-we-do/green-jobs-youth>

12:43:45 From Debra Rowe: This document looks at how to better educate for a green and inclusive workforce, how to provide better career advising, how to better connect with employers for placement and curricular updates, and much more - 85 resources compiled from many great sources.

12:44:56 From Debra Rowe: Also useful for NGOs!

12:48:17 From Debra Rowe: The direct link to the global guidance doc on green jobs is here -

applicable to all not just youth

13:11:27 From Richard Jordan: There is the list issued monthly by Protocol of Senior UN Officials of the UN and Officers of Equivalent Rank Whose Duty Station is NY -- these are Under-Secretaries and ASGs

13:33:20 From Katherine Kline to Hosts and panelists: Zoom is much easier to access I have found than WebEx so take a few minutes before the start time to make sure that you can access Webex

13:34:17 From Dzoara Castro: Very useful and interesting information, thank you very much

13:56:37 From Lori Johnston: mts link would be helpful

13:59:19 From Charles Nouhan : MTS: <https://www.unep.org/resources/policy-and-strategy/people-and-planet-unep-strategy-2022-2025>

14:30:43 From Richard Jordan: The work of Fatma Ksentini in the 1990s on the Human Right to a Healthy Environment might be looked back on.

14:33:23 From Lori Johnston: How is this global? Which methods did UNEP use to include Indigenous Peoples' governance, MEAs, coordinating mechanisms in UNEPs response to the resolution?

14:37:51 From Lori Johnston: UNGA in 2014 gave guidelines to UNEP and other UN organizations on working with Indigenous Peoples.

15:04:30 From Charles Nouhan: The Story of Plastic video:
<https://www.youtube.com/watch?v=iO3SA4YyEYU>

15:16:52 From Dzoara Castro: In Mexico City, single-use plastics were banned, but companies now put a green 'biodegradable' seal (even though it is not).

15:43:11 From Richard Jordan: Yes, and this Annex should NOT be like the compilation of NGO statements submitted to the Commission on Social Development, which 2 years ago was submitted as a separate.
